

ADVANCED **MUSCLE PERFORMANCE**

WHEYBOLIC

CLINICALLY PROVEN PERFORMANCE PROTEIN

Proven to Increase Muscle Strength & Size in Just 8 Weeks ** Ultra-Pure, Fast-Absorbing Whey Protein Isolate & Hydrolysates 40_G **PROTEIN**

15_G **BCAA**

10_G LEUCINE

1G **VELOSITOL®**

DIETARY SUPPLEMENT NET WT 21.87 OZ (1.37 LB) 620 G

Pittsburgh, PA 15222 USA General Mutrition Corporation Distributed by: 1-888-462-2548 For More Information: Store in a cool, dry place. KEEP OUT OF REACH OF CHILDREN.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

^ When used in conjunction with an exercise program.
• In an 8-week, randomized, double-blind, placebo-controlled study of 30 healthy male volunteers comparing 1 set resistance training (RT) + active or carbohydrate placebo to 2 sets RT alone with no supplement, the active group showed equal gains in maximal muscle atrength and muscle endurance compared to the control group.
◇ In a randomized, double-blind crossover clinical trial that included 20 recreationally trained, healthy male subjects, those taining the protein isolate plus 10 g leucine immediately post-workout showed significant increases in key protein (P7056) associated with muscle protein synthesis.

An 8-week, randomized, double-blind, placebo-controlled study of 33 healthy men compared the effectiveness of this proprietary module of whey protein and leucine vs. an isocaloric carbohydrate placebo consuming the leucine-whey protein supplement experienced greater increases in muscle strength this this cubjects consuming the leucine-whey protein supplement experienced greater increases in muscle strength this thought on the placebo. Leucine-whey protein supplementation also increased muscle cross-sectional area from baseline. When use the province in consumer is a province of the place of the province of the p Velositol° and its associated logo is a trademark of Nutrition 21, LLC. Velositol° is patent protected.
