

### MY GUARANTEE

Dextrose is a highly effective and cost-efficient post-workout carbohydrate. Research supports that it helps in replenishing muscle glycogen levels and promotes the uptake of creatine and carnitine by the muscle fibers.\* For additional results to support recovery take Post JYM Fast-Digesting Carb along with Post JYM Recovery Matrix. The delicious taste of Post JYM Fast-Digesting Carb also makes it a dietary supplement you'll look forward to drinking after every workout. I know I do! Hit the JYM!
