PRO PERFORMANCE® RESULTS

Supplementation may help maintain glutamine levels that have been depleted as a result of intense exercise and may support muscle function.* Glutamine is involved in protein synthesis and plays a pivotal role in the body's nitrogen balance.*^ It serves as fuel for the immune system and maintenance of proper intestinal function.*

PRO PERFORMANCE® QUALITY

Pro Performance® L-Glutamine Chews feature our advanced micronized formula - now in a delicious and convenient chewable form. This system micronizes large molecules into small particles, which are easier to absorb, maximizing the delivery of glutamine.

^When used in conjunction with an exercise program.

CODE 791307 JRG

DIRECTIONS: As a dietary supplement, enjoy 1-2 soft chews daily.
