

The Science Behind Qualia Senolytic

Qualia Senolytic represents the culmination of years of research into the biological mechanisms of aging. This two-day rejuvenation regimen may hold the key to unlocking cellular health and revitalizing aging tissues throughout the body.\*

Understanding Senescence

Cellular senescence is one of the Hallmarks of Aging. It is the process by which cells permanently stop dividing but do not die off. These senescent cells linger inside the body and accumulate over time, affecting the healthy function of tissues and organs as we age.\*

Senolytics Explained

Senolytics are at the leading edge of anti-aging research. The word “senolytic” is derived from the Latin words *senex* (=old) and *lytic* (=destroying). A senolytic is a substance designed to destroy senescent cells, making “room” in tissues for more youthful cells—promoting whole-body rejuvenation.\*

Senescent cells accumulate in multiple tissues with advancing age.

**SUGGESTED USE:** Take 6 capsules a day on two consecutive days. Wait at least several weeks before repeating. Use monthly for best results.\*

Supplement Facts

Serving Size: 6 Vegetarian Capsules  
Servings Per Container: 2

	Amount Per Serving	%DV
Fisetin (from <i>Rhus succedanea</i> Stem Extract)	1400 mg	**
Quercetin® Quercetin Phytosome ( <i>Sophora japonica</i> L. Flower Extract / Phospholipid Complex from Sunflower)	750 mg	**
Longvida Optimized Curcumin® Extract (from <i>Curcuma longa</i> Root)	400 mg	**
Olive Leaf Extract	250 mg	**
Soybean Seed Extract	200 mg	**
Luteolin (from <i>Sophora japonica</i> L. Flower Extract)	150 mg	**
Milk Thistle Seed Extract	125 mg	**
Piperlongumine (from <i>Piper longum</i> Root Extract)	50 mg	**
Senactiv® ( <i>Panax notoginseng</i> Root Extract and <i>Rosa roxburghii</i> Fruit Extract)	50 mg	**

\*\* Daily Value (DV) not established

**Other Ingredients:** Pullulan Starch (capsule), Rice Hulls

Contains: Soy

Quercetin® is a registered trademark of Indena S.p.A., Italy. LONGVIDA® extract is patented under US 9192644 & EP 1993365 (other patents pending) and LONGVIDA OPTIMIZED CURCUMIN® is a registered trademark of Verdure Sciences Inc. Senactiv® is a registered trademark of NuLiv Science USA Inc.
